Grade 4 Technical Exercise 3

This exercise is a study of the movement of rhythmic elements from Drum Kit to other percussion instruments, namely hand percussion or other stylistically appropriate mediums.

The previous technical exercise in the grade, Technical Exercise 2, is to be held as a "Rhythmic template" for a developed percussion accompaniment/solo.

The following notation serves as an indication of the primary elements in the pattern to be captured. However, this is only a basic indication and the full interpretation/development of the groove is the creative responsibility of the candidate.

The repeat is to be played, 8 bars in total.
