

## Section One: Recital (60 marks)

### Select three pieces from the following lists (20 marks each)

If you are using a Keyboard that is not touch sensitive, it is important to use other means to replace dynamics such as different voicing. In pieces with limited or no given registrations, tempo markings, dynamics, voice/fill markings, etc. the candidate must select these as part of their interpretation so as to produce a musically rewarding performance and exploit the potential of their keyboard. You may select pieces from either list below, or from both lists. Two versions of the same song, with different LH variations may appear. In this event, you may select only **one** version of the song.

As an alternative to the pieces below, candidates may perform up to 3 free choice pieces. For guidance on selecting and approving free choice pieces please [click here](#)
