

Section One: Recital (60 marks)

Select three pieces from the following list (20 marks each)

If you are using a Keyboard that is not touch sensitive, it is important to use other means to replace dynamics such as different voicing. For Keyboards with a shorter range, scales and exercises may be transposed down/up an octave. In pieces with limited or no given registrations, tempo markings, dynamics, voice/fill markings, etc. the candidate must select these as part of their interpretation so as to produce a musically rewarding performance and exploit the potential of their keyboard. Two versions of the same song, with different LH variations may appear. In this event, you may select only **one** version of the song.

As an alternative to the pieces below, candidates may perform up to 3 free choice pieces. For guidance on selecting and approving free choice pieces please [click here](#)

Pieces aimed at using the Keyboard as a Piano			
Please be aware not all pieces will be suitable for a Keyboard with a shorter range. It is acceptable to adapt pieces with octave transpositions. For Keyboards that are not touch sensitive other means need to be used to replace dynamics, as listed above.
